EDUCATION

- **Pandit Deendayal Energy University, Gandhinagar, Gujarat** — *Year*
  B.Tech – Computer Science and Engineering — CGPA/7.21: 2023-current
- **VPMP Polytechnic, GTU** — *Year*
  Diploma in Computer Science and Engineering — CGPA/8.02: 2021-2024
- **jay somnath higher secondary school** — *Year*
  GSEB Board, Gujarat — Percentage/65.16%: 2021

EXPERIENCE / INTERNSHIP

- **Stypix, Ahmedabad, Gujarat** — 27 July 2023 – 30 August 2023

  Data Science and Machine Learning Intern — *Ahmedabad/Gujarat*

  - Learned core machine learning concepts and libraries including NumPy, Pandas, Matplotlib, SKlearn and Seaborn
  - Implemented regression and classification models for predictive analysis
  - Built a Heart Attack Prediction model using machine learning techniques
  - Achieved 98% model accuracy during experimentation and testing
- **BrainyBeam Technologies Pvt. Ltd. –** — Remote | 17 Sep 2022 – 1 Oct 2022

  Android Development Intern

  - Learned the fundamentals of Android app development using Android Studio in a remote internship environment.
  - Built basic Android applications and explored UI design, layouts, and core development concepts.

PERSONAL PROJECTS

- **FitTrackPro — Fitness Tracking Web Application** — **View**
  - *Developed a full-stack application that allows users to track* ***weight, fitness goals, daily meals and workout activities****.*
  - Tools & technologies used: Express.js, Supabase, TypeScript
  - Implemented calorie tracking, deficit calculation and interactive progress graphs; currently integrating a chatbot to automatically log meals and workouts.

TECHNICAL SKILLS AND INTERESTS

Programming Languages: Java, Python, C, C++, JavaScript, TypeScript
Developer Tools: Git, GitHub, VS Code
Frameworks: Express.js, Node.js
Cloud/Databases: Supabase, SQL, MongoDB
Coursework: MERN Stack, Machine Learning
Areas of Interest: Web Dev, Machine Learning

POSITIONS OF RESPONSIBILITY

- ***Core Member*** *– Encode Club (Cloud & DevOps Department)*
- ***Core Member*** *– GeeksforGeeks Student Chapter (Technical Department)*

CERTIFICATES

- **NPTEL –** Privacy and Security in Online Social Media — *Oct 2025*
- **Coursera –** Supervised Machine Learning: Regression and Classification — Mar 2026
- **KSV University –** Sarva Netrutva Leadership Program — *Jan 2024*
